REPORT OF THE TRANSACTIONS OF THE BOARD FOR ADMINISTERING THE MYSORE DISTRESS RELIEF FUND FOR THE TWO YEARS FROM 1ST OCTOBER 1932 TO 1ST OCTOBER 1934.

The Board was reconstituted for a period of two years with effect from 1st October 1932. Three meetings were held during this period on the marginally noted dates.

26th May 1933.
17th April 1934.
29th September 1934.

2. As resolved by the previous Board at its meeting held on 27th August 1932, the Comptroller was appointed *Ex officio* Trustee for the custody of this Fund with power to operate on it, *i.e.*, to invest the Fund from time to time according to the wishes of the Board, to draw interest and credit it to the Fund and to pay moneys from out of the annual income for expenditure as required by the Board from time to time.

3. The Fund which had as its nucleus a sum of Rs. 73,500 in April 1927 had at its credit, Rs. 90,765-3-11 in July 1932 after deducting the amounts of relief granted up to that month. Out of this, a sum of Rs. 90,000 was kept as a Five-year Fixed Deposit with Government on 5th January 1933 yielding an interest of 5 per cent.

4. The Fund has at its credit a sum of Rs. 96,493-13-11 on the 1st September 1934 after a payment of Rs 3,305 in several cases of distress sanctioned by the Board from time to time during the last two years. The Board received during this period 25 applications for help and grants to the extent of Rs. 3,305 were sanctioned in respect of 16 of them.

The cases that were rejected were in respect of—

(1) recommendations made on behalf of one or two individual cases of distress;
(2) certain houses damaged by heavy rains; and
(3) an appeal for help from outside the State.

5. The purposes for which grants may be sanctioned out of the Fund were defined as follows at the meeting of the Board held on 18th April 1934:—

(1) Recommendation should be made for a grant from this Fund only in cases of wide spread distress and not in stray individual cases of hardship.
(2) It should be noted that the grants made from this Fund are only supplemental to the relief rendered by the Revenue and Forest Departments under the Rules in force and private charity.
(3) The funds placed at the disposal of the local authorities should be utilised for the relief of immediate distress such as free distribution of cloth and food grains tc., eand the distribution should be made as far as possible in the presence of the Amildar.
(4) The gratuitous relief should ordinarily be limited to Rs 5 per family.

The Revenue Commissioner has issued circular instructions to the Deputy Commissioners accordingly.

6. Though it has been made clear that the amount sanctioned from this Fund should be utilised for the relief of immediate distress only, instances have come to notice of applications being made for help several months after the occurrence of distress. The necessity for prompt action in such cases cannot be too strongly urged.
